Subject: PARK VANDALISM

A "Heads up" no apologies necessary! A fireworks party and a gathering were held in the park, 1800hrs-2200hrs, approximately, 7th November 2020. No authority was applied for, non-given, as far as I know?! The majority of expended fireworks and beer cans were collected by those taking part and deposited by the bins provided. The majority of residents taking part were from Cedar close.

Unfortunately, during the last couple of days further damage has been caused in the Park; one covid19 sign has been completely destroyed, another cut from its mountings. No 100 St Peters has had damage to her fence, which backs onto the Park.

These acts of criminal damage need to be reported, however, in the past all that has happened using 101 is a reference number, with no follow up action. Could these damages be reported by the Parish council to the police, perhaps more notice would be forthcoming?!

Regards. Steve

Dear Lesley

Hope you're keeping well.

Something to report - at last!

We have had no events since February and no Summer Fair. Committee meetings have been possible using "Zoom".

However, the new heating system is currently being installed - this involves fitting a new boiler and 18 radiators replacing the old gas fires.

Some redecoration will be required once the works are completed, especially in the main hall,

We have been promised, and look forward to receiving, financial contributions from Bell Homes and Special Metals in due course.

You may have noticed a large Christmas tree on the hall roof and we wondered whether the Parish Council would be kind enough to contribute towards the cost. We spent £125 on the tree (and a bit more on lights and a stand).

We look forward to a new year and reinstating the events calendar given easing of restrictions,

Meanwhile, Merry Christmas to all

Kind Regards

Chris Rogers
